STANDARD ST.62

RECOMMENDATION CONCERNING STANDARD ABBREVIATION FOR "VIENNA CLASSIFICATION"

*Recommendation adopted by the PCIP I Executive Coordination Committee
at its eleventh session on December 11, 1992*

The recommended abbreviation for the Vienna Classification in trademark gazettes and on certificates is "CFE." It is recommended that figurative elements of marks classified in accordance with a given edition of the Vienna Classification bear an indication of that edition in the form of an Arabic numeral in round brackets, printed after the abbreviation. For example, for figurative elements classified in accordance with the third edition of the Vienna Classification, the recommended abbreviation is "CFE(3)".
